COLLECTION

The Brentwood™ fireplace blends timeless beauty and up to 72% efficiency to offer an exceptional wood-burning unit. With advanced combustion and heat-circulating features, you can enjoy unsurpassed warmth and temperature control. The Brentwood fireplace ensures long and lasting comfort with up to eight hours of burn time* and a 19-inch log capacity in the two-cubic-foot fireplace. In addition to a realistic masonry-built appearance, a variety of customizable design options is available to give you the freedom to create the ideal fireplace for your home.

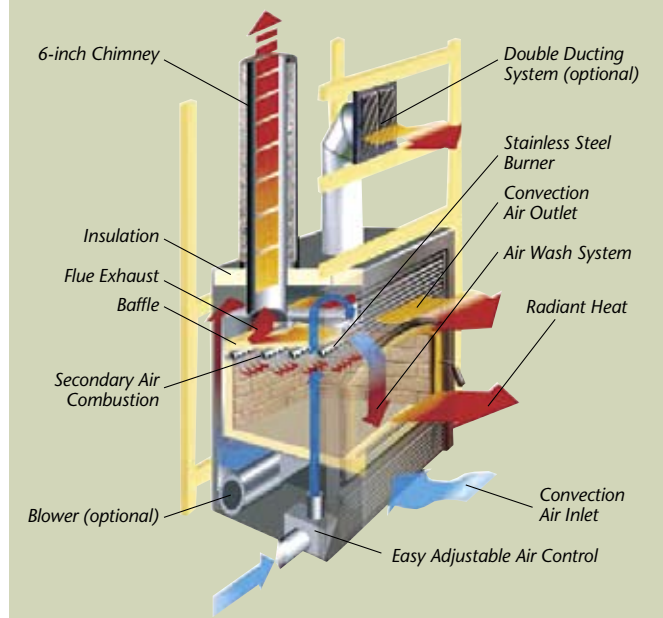

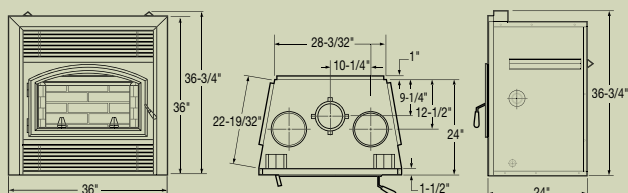

Brentwood™ fireplace

Shown with clean-face panel kit installed

DIMENSIONS

STANDARD FEATURES
