HEARTH PRODUCTS

ELITE® SERIES

Epic™ shown with brushed nickel trim finish.

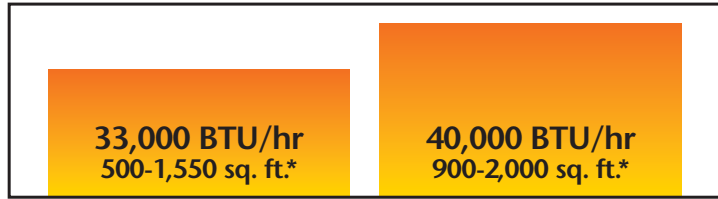

■ A warm, dancing fire adds style and dimension to your home. The Epic™ gas stove combines the timeless, enchanting appeal of a wood fire with the convenience and ease of gas. With hand-painted logs, four trim options and a huge bay window providing a mesmerizing view of the fire, the Epic integrates seamlessly into any home décor. A sophisticated burn technology and a large cast-iron heat exchanger efficiently produce and transfer heat. Available to fit a variety of heating needs—with a choice of 33,000 or 40,000 BTU/hr—the Epic will warm the body as well as the soul. ■

CUSTOMIZE TO YOUR TASTE

With the Epic™ gas stove, you have plenty of options to create the perfect look. Available with a choice of heating capabilities, trim finishes and thermostats, so you can create exactly what you want and need.

STEP 1: HEAT OUTPUT

Choose from two heating capacities. To determine which option best suits your needs, match the square footage of your living area with option listed below.

STEP 2: TRIM FINISH

The trim finish can change the overall presentation of your stove. Choose from four distinctive finishes to help create the perfect look and feel.

Black

Brushed nickel

Black nickel

Gold

STEP 3: THERMOSTAT (optional)

Adjust the comfort level of your room with a convenient wall-mounted thermostat or a versatile remote thermostat.

STANDARD FEATURES

Huge bay window provides 402 sq. in. of wide-open glass for a remarkable view of the fire

Available in two capacities—33,000 or 40,000 BTU/hr—for personalized heating options

Cast-iron, high-efficiency heat exchanger has 500 sq. in. of surface area for optimal heat transfer

Heavy-duty steel construction for long life and durability

Architectural-quality fit and finish

No hearth pad required when installed on a non-combustible floor

150-CFM variable-speed blower provides even heat circulation

Integrated plug for remote thermostat hook-up eliminates external cords

Concealed control panel allows for a clean, seamless look and easy access to controls

Clean, simple lines and finished back allow for placement of stove in open spaces

Limited Lifetime Warranty
