# Create

**Create. Build. Add. Enjoy!**

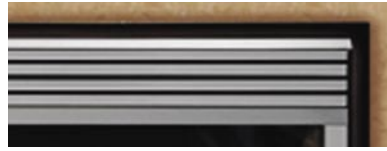

Choosing the right fireplace can be exciting, but the fun really begins when you start accessorizing! The line of gas-burning fireplaces from Superior® feature an exciting array of accessory options to help you create the look you want – the look you’ve dreamed of – the look that goes perfectly in your home. You’ll be amazed at what you can create.

## Louver Kits

You can add a touch of style to the appearance of your heat-circulating fireplace with the addition of a louver kit. Available in Polished Brass or Brushed Stainless Steel to complement your home's décor.

8-Piece Louver Kit (Polished Brass)

8-Piece Louver Kit (Brushed Stainless Steel)

## Door Trims

Two door trim kits are available to accentuate the look of your fireplace. Door trim is available in two-piece or four-piece kits, and comes in Polished Brass or Brushed Stainless Steel finishes.

2-Piece Door Trim Kit (Brushed Stainless Steel)

4-Piece Door Trim Kit (Polished Brass)

## Screen Panel Kits

All models accept screen panel kits which can serve as a barrier to prevent direct contact with hot glass surfaces.

## Radiant Panel Kits

With a radiant panel kit, you can instantly give your louvered multi-view fireplace a clean-face appearance. This reflects the true look of a masonry fireplace and delivers classic elegance.

## Brick Liners

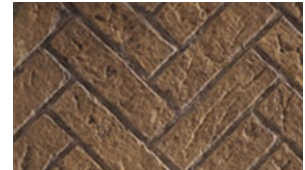

From the traditional to the contemporary, our variety of ceramic brick liners gives you several distinctive choices for the interior walls of your fireplace.

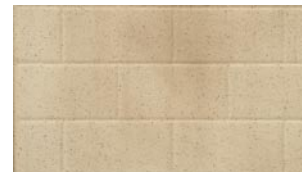

Buff Rustic Brick (SDDV models only)

Buff Old Cottage (SDDV models only)

Buff Rustic Herringbone (SDDV models only)

Traditional (stamped metal)

## Remotes

Choice of two wireless remotes:

- Model RCL-STAT – On/off wireless remote with LCD screen, thermostatic control, timer and clock
- Model RCL – On/off wireless remote with LCD screen

## Blowers

Blower kits for improved heat distribution:

- FBK-100 – On/off operation
- FBK-200 – With wall-mounted rheostat control
- FBK-250 – With temperature sensor control, plus unit-mounted rheostat control

### IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, these appliances are extremely hot during operation. Read and understand all operating instructions before using these appliances. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale - consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
